The *history* behind Shameless Plug

Shameless Plug Arts Festival launched on October 2021 to celebrate Eccentric Artists’ 1-year Anniversary. Apart from our innovations during the pandemic to provide opportunity for filmmakers, Shameless Plug was our most ambitious idea we tackled — AND it was our very first in person event since launching. From there, it became Eccentric Artists’ most anticipated event of the year where filmmakers, vendors/exhibitors, and live performers come together to shamelessly plug what they do best — a genuine celebration.

Vendor/Exhibitors

Shameless Plug Arts Festival boasts 50+ diverse art vendors, showcasing an array of artistic styles. Eccentric Artists creates a vibrant platform for local small businesses, fostering support, exposure, and connection with various art enthusiasts.

Live Performers

At the Shameless Plug Arts Festival, live performances come alive with a dynamic range of musicians, bands, poets, interpretative dancers, and many more. Embracing local talent, this event passionately supports community performers, delivering a captivating and enriching experience for all.

Film Showcase Challenge

Eccentric Artists originates from being a Film Collective first and foremost, so it comes natural to us to incorporate a film screening with works from local filmmakers as well! Starting as just a showcase, the screening has now evolved into a Film Challenge screening. The use of a prompt every year helps encourage creativity in those submitting!

Press/Testimonials

"It's a question that comes up a lot: How do we support the arts? Start by clearing your calendar for this free, one-day celebration of Las Vegas creatives. The third annual Shameless Plug Arts Festival offers a window into our city's best and brightest musicians, designers, zine-makers, sculptors and painters under the banner of fostering a more supportive community around the scene. Local art collective and media company Eccentric Artists launched the festival in 2021 as a way to invite collaboration without competition. This year's fest, themed around the nostalgia of the late '90s and early 2000s, features more than 25 exhibitors, including queer zine-maker Cosmic Q Publishing and stop-motion animator Imaginary Frames, plus live performances from pop/hip-hop outfit Panda, singer-songwriter Rhaina Yasmin, musical comic and actress Serenity Garcia (Party Down, Home Economics), Latin funk band The Red Seduction and more. Also returning this year is Eccentric Artists' film showcase challenge, in which attendees will view and vote on indie submitted films based on nostalgia. 4:30 p.m., free (donations encouraged), Fergusons Downtown, eccentricartists.space"

-Amber Sampson, Staff Writer at Las Vegas Weekly

"It was great, not only was the festival programming done flawlessly, but as one of the filmmakers, it was great having my film screened around so many wonderful creatives."

- SAMANTHA SORIANO, Filmmaker

"First time experiences are always wonderful and interesting and being at Shameless for the 1st time, being a Volunteer for the 1st time was very very cool coming from a person like me that was pretty introverted. I could feel the sense of community and Love for the craft on Shameless Plug :)"

- JUAN ROBLES, Eccentric Team

"It was amazing! I'm so proud of the Founding Mothers for creating such a wonderful, community-focused event. It's awesome to see and meet so many new artists and performers."

WHERE YOUR SUPPORT GOES —

Community Volunteers

Your support contributes to meals/snacks and issuing reimbursements for our volunteers and tokens of appreciation, recognizing their tireless work that ensures the seamless operation, vibrant hosting, and successful running of the festival!

Promotional Materials

Marketing for a festival ensures that we are able to afford the materials needed to get the word out—posters, banners, online marketing tools—and help us gain traction. This not only promotes the festival, but also highlights the incredible artists contributing to our lineup, drawing more people to celebrate and support our local indie talent.

Operating Materials

Your support helps us acquire essential office and operating supplies, such as booth materials, print outs, badges, ticket rolls, cashier equipment, etc.. These items ensure smooth ticketing, coordination and efficient operations throughout the duration of the event. Your contribution helps us stay organized and deliver a memorable festival experience for all!

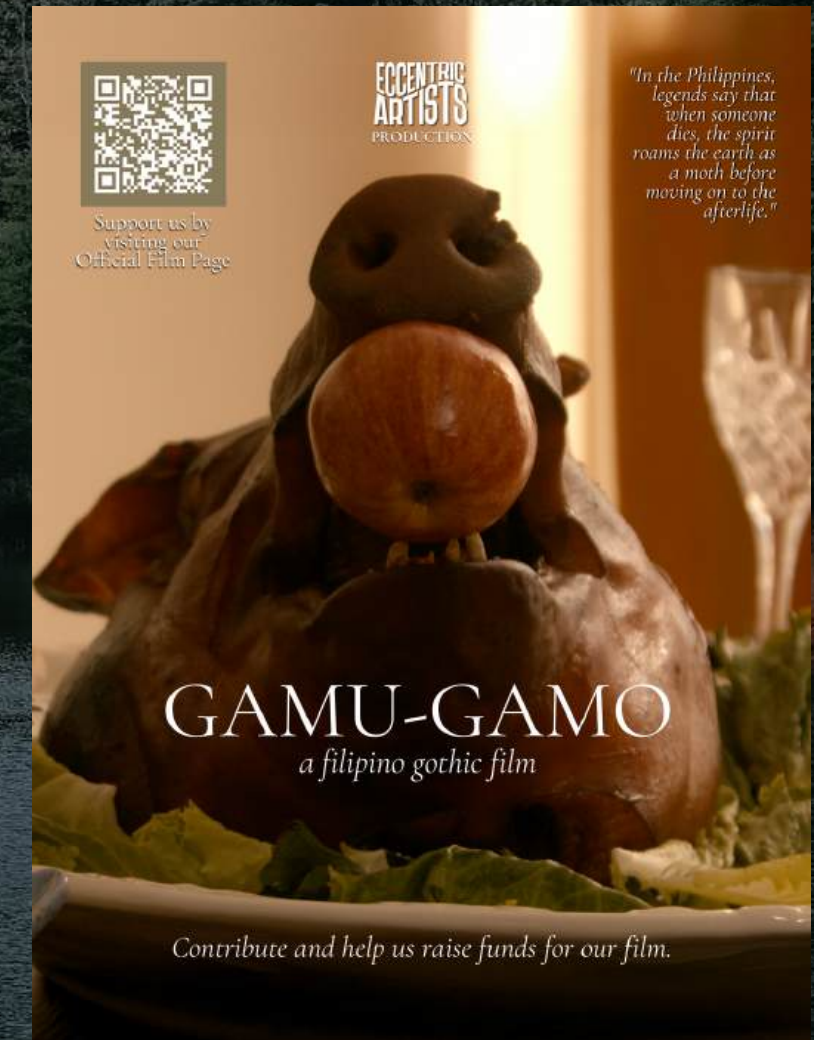

Festival Gear and Tech

The scale of an event like Shameless Plug requires lots of reliable gear. Your support provides crucial equipment like screen projectors, tech services, supplemental equipment for live performances, and even a photo booth. These elements enhance the festival, offering interactive activities and a unique, memorable experience.

Artists Appreciation

Every year, we make it a point to improve and find more funding opportunities to compensate the key players on the Eccentric Artists Team and the Live Performers at our festival. This will also go into helping fund some awards for our Film Challenge winners as well! Your support enables us to pay these musicians/performers, Eccentric staff, and winners for their time helping this festival thrive, not only acknowledging their artistry but also reinforcing our commitment to nurturing and supporting the vibrant creative spirit of community.

Associate or Executive Producer Perks

Shameless Plug's intention has always been created to put the community first and funnel funds towards the fest and other qualities of support first. To accompany your generous contributions to our festival, your sponsor tier can also land you supporting our upcoming Filipino gothic film Gamu-Gamo as well as either Associate or Executive Producer too! Get your brand out there, and ALSO have your brand credited under our short film too!
